EXAMINATIONS BY PSI SERVICES LLC

This Candidate Information Bulletin provides you with information about the examination and application process for obtaining an insurance producer or public adjuster license in the State of New Jersey.

The New Jersey Department of Banking and Insurance has contracted with PSI Services LLC (PSI) to conduct the examination testing. PSI provides examinations through a network of computer examination centers in New Jersey. PSI works closely with the State to be certain that examinations meet State as well as national requirements in basic principles and examination development standards.

IMPORTANT: Effective August 1, 2010, The New Jersey Department of Banking and Insurance ("Department") will no longer print and mail licenses to insurance producers and public adjusters. One copy of the printed license will be available online free of charge, via State Based Systems (SBS) Connect. Information regarding free registration to this service is available on the Department's website, dobi.nj.gov, in the "Just for Producers" area.

THE LICENSURE PROCESS

The New Jersey Department of Banking and Insurance maintains on its website valuable information for insurance producers and licensing candidates. Included on this website is a specific section "*Just for Producers*," which contains a Frequently Asked Questions section that may serve as an expedient means of responding to your questions.

Website dobi.nj.gov

Candidates who would like to transact insurance business as an insurance producer in New Jersey must pass the appropriate examination and apply for and be granted a license by the New Jersey Department of Banking and Insurance.

To be licensed as a resident insurance producer, applicants must:

1. Be a resident of New Jersey, or, if a nonresident, have his or her principal place of business in New Jersey.
2. Be trustworthy, competent, financially responsible, and of good personal and business reputation.
3. Successfully complete instruction at a New Jersey-approved provider, fulfilling the minimum hours of instruction leading to a certificate of completion. Individuals who currently hold a resident producer license in a state other than New Jersey or who have held such license actively during the preceding ninety (90) days are exempt from qualifying for a resident New Jersey insurance producer license by education and examination. Application may be made through the electronic application process. Information on the electronic application process is available at dobi.nj.gov.

4. Pass the insurance licensing examination(s) administered by PSI.
5. The Department of Banking and Insurance will waive the prelicensing education requirement for qualifying individuals holding an approved insurance designation. Waiver information and a listing of approved insurance designations may be viewed on the Department's website at dobi.nj.gov.
6. Individuals maintaining an approved insurance designation are no longer exempt from passing the examination corresponding to their desired license authority.
7. An individual who applies for an insurance producer license in this state who was previously licensed for the same lines of authority in another state shall not be required to complete any prelicensing education or examination. This exemption is only available if the person is currently licensed in good standing in that state; or if the application is received within 90 days of the cancellation of the applicant's previous license and was considered to be in good standing when the license authority terminated.

OBTAINING A TEMPORARY WORK AUTHORITY AND PERMANENT LICENSE

Passing Personal Lines, Title, Surplus Lines, Life, Health, Property, and Casualty producer candidates will be evaluated at the test center for qualification for a temporary work authority. The evaluation will be based on the applicants' responses to screening questions developed by the Department of Banking and Insurance.

Applicants must be extremely careful when responding to the license screening questions, because once the applicant confirms his or her answers they cannot be changed.

Qualified applicants will receive their temporary work authorities immediately following completion of their examination. To activate the temporary work authority, the applicant must follow the instructions printed on the temporary work authority certificate. The temporary work authority allows the qualifying individual to transact insurance related business for a period of 60 days from the exam date while under the supervision of a current licensed producer. To receive a permanent license, applicants must follow the instructions printed on the short form application that will be provided at the test center.

Candidates who have passed the examination, but do not qualify for a temporary work authority, will be provided with a notice explaining their failure to qualify for the temporary work authority. To apply for a permanent license, the Department recommends candidates apply electronically but may also apply using the paper application maintained on the Department website (dobi.nj.gov). A paper submission must also include the original PSI passing score report, a school certificate, and the appropriate license fees to the New Jersey Department of Banking and Insurance Licensing Division. Applicants are reminded that paper applications require more processing time.

Please note that score reports are valid for one (1) year only.

LICENSE FEE

The license fee is \$150 for two (2) years. Additional processing charges will be added depending upon whether the application is submitted electronically or using the paper application.

IMPORTANT NOTICE FOR ALL CANDIDATES

Due to many complaints from the buildings' tenants, PSI (and the properties which house the PSI test centers) cannot accommodate any individuals other than the person who is being tested.

PSI understands that test candidates are often comforted by having guests accompany them to their exams. It may also be necessary for a guest to drive the candidate to the test center. However, incidents from previous guests have prompted warnings from Property Management. For this reason, PSI has adopted the following policy concerning guests.

“Person(s) accompanying a test candidate may not wait in the test center, inside the building or on the building’s property. This applies to guests of any nature, including drivers, children, friends, family, colleagues or instructors.”

There are facilities nearby such as shopping malls, stores or restaurants where guests may go while the candidate takes a test. Please take the time to visit those locations instead of waiting in or around the building.

Also of note, many candidates have been arriving hours before their scheduled exam time. This is not necessary. Please plan to arrive no earlier than 30 minutes before the start-time of your exam. This will provide plenty of time for check-in.

Thank you for your understanding and for your cooperation.

SECURITY PROCEDURES

The following security procedures will apply during the examination:

- NO conversing or any other form of communication among candidates is permitted once you enter the examination area.
- Please be advised that children, cell phones, pagers, cameras, programmable electronic devices and recording devices of any kind are NOT allowed to enter PSI testing centers. Additionally, **NO personal items are to enter the testing centers.** PSI will not be responsible for any personal items, and suggests that you leave such items in another safe place, of your choosing.
- Only non-programmable calculators that are silent, battery-operated, do not have paper tape printing capabilities, and do not have a keyboard containing the alphabet will be allowed in the examination site.
- No smoking, eating, or drinking will be allowed at the examination site.
- You may not exit the building during the examination.
- Copying or communicating examination content is a violation of PSI security policy and the State Law. Either one may result in the disqualification of examination results and may lead to legal action.

TAKING THE EXAMINATION BY COMPUTER

Taking the PSI examination by computer is simple. You do not need any computer experience or typing skills. You will use fewer keys than you use on a touch-tone telephone. All response keys are colored and have prominent characters. An illustration of the special keyboard is shown here. You may also use the mouse.

IDENTIFICATION SCREEN

You will be directed to a semiprivate testing station to take the examination. When you are seated at the testing station, you will be prompted to confirm your name, identification number, and the examination for which you are registered.

TUTORIAL

Before you start your examination, an introductory tutorial to the computer and keyboard is provided on the computer screen. The time you spend on this tutorial, up to 15 minutes, DOES NOT count as part of your examination time. Sample questions are included following the tutorial so that you may practice using the keys, answering questions, and reviewing your answers.

One question appears on the screen at a time. During the examination, minutes remaining will be displayed at the top of the screen and updated as you record your answers.

EXAMINATION QUESTION EXAMPLE

During the examination, you should press 1, 2, 3, or 4 to select your answer or press “MARK” to mark it for later review. You should then press “ENTER” to record your answer and move on to the next question. A sample question display follows:

IMPORTANT: After you have entered your responses, you will later be able to return to any question(s) and change your response, provided the examination time has not run out.

EXAMINATION REVIEW

PSI, in cooperation with the New Jersey Department of Banking and Insurance, will be consistently evaluating the examinations being administered to ensure that the examinations accurately measure competency in the required knowledge areas. While taking the examination, examinees will have the opportunity to provide comments on any questions, by using the comments key on the keyboard. These comments will be analyzed by PSI examination development staff. PSI does not respond to individuals regarding these comments, all substantive comments are reviewed. **This is the only review of examination materials available to candidates.**

PROCEDURES FOR FILING AN APPEAL

Candidates who have further questions concerning the examination content may file an appeal request with the New Jersey Department of Insurance and Banking; Application Investigations and Producer Education via email at insed@doi.state.nj.us.

- Read study materials that cover all the topics in the content outline.
- Take notes on what you study. Putting information in writing helps you commit it to memory and it is also an excellent business practice.
- Discuss new terms or concepts as frequently as you can with colleagues. This will test your understanding and reinforce ideas.
- Your studies will be most effective if you study frequently, for periods of about 45 to 60 minutes. Concentration tends to wander when you study for longer periods of time.

Now you can take the practice exam online at www.psiexams.com to prepare for your New Jersey Insurance Examination.

Please note that practice exams are intended only to help testing candidates become familiar with the general types of questions that will appear on a licensing examination. They ARE NOT a substitute for proper education and study. Furthermore, scoring well on the practice exam does not guarantee a positive outcome on an actual licensing examination.

Note: You may take the practice exams an unlimited number of times; however you will need to pay each time.

SCORE REPORTING

Your score will be given to you immediately following completion of the examination. The following summary describes the score reporting process:

- **On screen** - your score will appear immediately on the computer screen. This will happen automatically at the end of the time allowed for the examination;
 - If you **pass**, you will immediately receive a successful notification.
 - If you **do not pass**, you will receive a diagnostic report indicating your strengths and weaknesses by examination type with the score report.
- **On paper** - an unofficial score report will be printed at the examination site.

DUPLICATE SCORE REPORTS

You may request a duplicate score report after your examination by emailing scorereport@psionline.com or call 800-733-9267.

TIPS FOR PREPARING FOR YOUR LICENSE EXAMINATION

The following suggestions will help you prepare for your examination.

- Only consider the actual information given in the question, do not read into the question by considering any possibilities or exceptions.
- Planned preparation increases your likelihood of passing.
- Start with a current copy of this Candidate Information Bulletin and use the examination content outline as the basis of your study.
